Last updated:

Please read these Terms of Service ("Terms", "Terms of Service") carefully before using the website operated by Curved Arrow Networks, LLC herein referred to as ("Curved Arrow Networks "us", "we", or "our").

Your access to our site and use of the Service is conditioned on your acceptance of and compliance with these Terms. These Terms apply to all visitors, users and others who access or use the Service.

By accessing or using the Service you agree to be bound by these Terms. If you disagree with any part of the terms then you may not access the Service.

TERMS OF SERVICE

Our platform provides an Emergency Medical Services database management system where paying subscribers will enter their general contact information into an online profile. This profile will be used for emergency purposes, billing, and other access reasons allowed by HIPAA. Once a paying subscriber has allowed for the implementation of their medical records, the relevant information is placed into their profile in accordance with HIPAA and other compliance standards/laws.

When a paying subscriber calls emergency medical services, (or requires their profile to be viewed by medical providers), the profile will be accessed in accordance with HIPAA.

Dispatchers and First responders will be able to search for the profile using caller-id (their telephone number listed on their profile), drivers license information, license plate number and license plate state. This information will be used to enhance the treatment and care given to the paying subscriber, and will allow personalized care for each patient, instead of the general "one-size fits all" care that is currently provided around the world.

USER REGISTRATION

You are required to register with us in order to enjoy our services. In order to register and get a profile you are obligated to create a user account with your personal accurate information. You will be required to make payment to activate your subscription from your profile. We shall keep the information you give us confidential. We reserve the right to remove or discard any information that you may render that is inappropriate, obscene or otherwise objectionable.

You may also be required to register with the Site. You agree to keep your password confidential and will be responsible for all use of your account and password. We reserve the right to remove, reclaim, or change a username you select if we determine, in our sole discretion, that such username is inappropriate, obscene, or otherwise objectionable.

If they do not achieve 50% of employees enrolled and those employees who "Opt out" the fee to use the system will be the same price per month (for liability purposes).
